Basic Considerations

- 1) **Children must stay with their parents at all times!**
- 2) **When hiking, stay together, behind the leader!**
- 3) Sing or make a joyful noise when hiking, or take our dog, Bear, with you on the trails.
- 4) Do not drink river water. Use the drinking water provided.
- 5) Wash hands with soap at stations provided, especially after using the outhouse.
- 6) Please draw, heat, and use your own water, taking care not to dilute someone's hot water.
- 7) If you have special needs contact the Franklins.
- 8) Camp expenses are met by secret freewill offerings.
- 9) It is not our desire to market or distribute CDs and written materials from other ministries. Please see Brother Jere if you have questions in this regard.
