YOU CAN SURVIVE!

“A storm is coming relentless in its fury. Are we prepared to meet it?”—8T 315

If you knew of a plan whereby you could save your family from the apocalyptic prophecies described in Revelation regarding the final destruction of the earth, wouldn't you want to know about it? God *has* a plan to save His people. It's revealed in Jere Franklin's book, *You Can Survive!*

Lincoln Steed, editor of *Liberty Magazine*, says that Jere's book, *You Can Survive!* is “*A sincere and practical outline for survival and revival.*”

Pastor **Pat Milligan**, Portland, Oregon says, “*The YCS seminar was a real blessing to the White Salmon, Hood River, and Portland churches. I appreciate how Christ centered and balanced it was. Our churches need these types of seminars!*”

Pastor **Hector Torres** of Colville, Washington says, “*Jere's inspiring messages motivated our family to step out in faith and follow God's counsel to move out of the cities into a quiet mountain setting. It was a blessing to have him in our churches.*”

“The work of the people of God is to prepare for the events of the future.”—2 SM 142
