

YOU CAN SURVIVE!

“The work of the people of God is to prepare for the events of the future, which will soon come upon them with blinding force” 2SM 142

Revelation 13:17 describes a time when the beast power will persecute the remnant by imposing economic sanctions. How will God’s people survive? The book, **YOU CAN SURVIVE!**, is designed to help your family meet the challenges of the end times.

Church Seminars: Through the spoken word and inspirational sacred music the Franklin family address the urgent need of preparation for the end times. Sermon topics include: The Soon Return of Jesus (7 pm Friday), Restoration and the Time of Jacob’s Trouble (Sabbath 11 am), God’s Appointed (Sabbath 2:30 pm), The National Sunday Law (Sabbath 4:00 pm), When No Man Can Buy or Sell (Sabbath 5 pm), and Country Living and the End Time (Sunday 10 am). Books, charts, CDs and DVDs are available Sabbath evening. Hundreds of people have given their hearts to God as a result of this ministry.

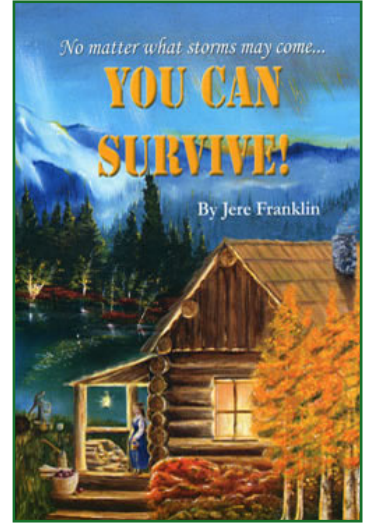

Family Camps: Jere and Linda Franklin, their son Jed and his wife Amber, live on a large farm in the Peace Country of northern British Columbia where they share a common burden of teaching others the joys of country living as well as its significance for God’s people in the end times. Once a year they conduct a 10 day Family Camp (the first week of September) where guests harvest their noon meal from the garden and cook it on a wood cook stove. Each morning and evening spiritual studies are presented on end time events. Practical classes taught during the day include:

log cabin building, using a crosscut saw, shake-splitting, scything, grinding grain, greenhousing, gardening, building root cellars, cooking with wood, bread making, food preservation, making charcoal, hand methods of laundry, and using a treadle sewing machine. The purpose of teaching these skills is to prepare God’s people for the time of no buy-no sell described in **Country Living**, pages 9 and 10, “Again and again, the Lord has instructed that our people are to take their families away from the cities, into the country, where they can raise their own provisions; for in the future the problem of buying and selling will be a very serious one.”

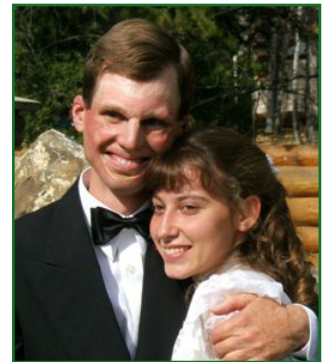

Recommendations: The YCS team has held seminars in many churches. Some pastors have volunteered to give recommendations to other church leaders. Pastor Pat Milligan (Oregon), says, “The YCS seminar was a real blessing to the Hood River and White Salmon churches. I appreciate how Christ-centered and balanced it was. May the Lord Jesus continue to richly bless your ministry.” His phone: 503-778-0855. Nathan James, a Canadian pastor who recommends our seminars can be reached at 709-279-2412.
