West Coast Seminars

Our western US seminar tour included five churches: Grangeville (ID), Colville (WA), Magalia (CA), Grants Pass, and Lents SDA Church in Portland (OR). Hundreds of people rededicated their lives to God, and some non-Adventists dedicated their lives for the first time. This year we did a total of 13 seminars on preparations for end time events. If you would like to organize a seminar at your church, please visit our website and download our seminar information sheet (click [here](#)).

These four brothers, Allan, Dahn, Flip, and Nick (all with professional voices), had not sung together for 30 years until the Sabbath they provided special music for our meetings at the Grants Pass (OR) SDA Church!

A Special Thank You

We wish to send a big "thank you" to Dick and Carol Hansen of Portland, Oregon for their time and efforts in designing and forwarding by e-mail - posters, announcements, and bulletin inserts -- to all the pastors on our western US tour. This was very much appreciated!

Special appreciation also goes to Benjamin and Carol Garcia and family for their advertising efforts for our seminar in Joshua, Texas, which also resulted in a large turnout!

The Rasmussen family, music teachers at PUC: L-R Bruce, Tim, Heidi, Rosalie, Kristi sang for our Grants Pass and Magalia meetings.

Thank you to the families we stayed with during our eastern and western seminar tours! You were a big help to us!

You Can Help!

The book, *From City to Country Living*, is now available at the ABC stores. It was written by Elder Arthur White and E. A. Sutherland in response to the actions of the General Conference in Annual Council, 1978 (see appendix page 62 of this book). This book was printed then and reprinted now for the purpose of coordinating church leadership with church membership in the area of offering counsel to those who feel God's call for country living. If you agree with us, about the need of church leadership in this area, please contact Elder Halvard Thomsen, assistant to the President, North American Division and express your desire for conference involvement: halvard.thomsen@nad.adventist.org

By the Fireside

We just received information from a religious news service in which the pope

wants to produce an ecumenical encyclical listing the points each religion has in common. A reference comes to mind:

"The wide diversity of belief in the Protestant churches is regarded by many as decisive proof that no effort to secure a forced uniformity can ever be made. But there has been for years, in churches of the Protestant faith, a strong and growing sentiment in favor of a union based upon common points of doctrine. To secure such a union, the discussion of subjects upon which all were not agreed--however important they might be from a Bible standpoint--must necessarily be waived." (GC 444)

Truly, this is another of many prophecies fulfilling in our very eyes—indicating the soon return of Jesus!

Soft Touch

We were pleasantly surprised during our visit to the Magalia church to meet a new friend, Lu Shenk who supplied us with two packs of re-usable, flannel wipes for hygienic purposes. She read about our idea on page 286 in **YOU CAN SURVIVE** (2nd edition). She started using this flannel technique several months ago. "I haven't used any toilet paper since last summer!" Lu said. She might be willing to send you a set if you call her at: 1-530-474-4810 and ask about the cost.
