

# YOU CAN SURVIVE!

## December 2009 Newsletter

We just finished our eastern USA road tour of seven churches and a worship service for the employees at the Review and Herald Publishing Association in Hagerstown, Maryland. The Lord really blessed us with hundreds of people responding to a deeper commitment and giving their past mistakes to God. At one church there was seating for 400 people and over 500 showed up, the most they'd ever had. It is evident that God's Spirit is working on people's hearts giving them a sense that something is about to happen and Jesus will come soon. In Montgomery, Alabama is an African-American church of 400 members. Here we were welcomed with enthusiasm, and they responded to God's call by the Holy Spirit. As a result, the daughter of a pastor in Texarkana, Texas, who had attended our

### The Day of Preparation

We must prepare our heart as well as our hands for what is ahead of us. We must prepare with a heart filled with love. Preparations for the arrival of a loved one are filled with urgency and joy and not fear and stress. No conspiracy, or dated materials will make us better prepared than love for Him who is to return. 2 Timothy 4:8 states that we will receive the crown promised if we love His appearing. All other motivations are shadowy in the brightness of love's sunny day. The false ungodlike motivations will be overruled by God for the furtherance of His cause. GC 528 states,

Stan and Piper Ivins helped with special music at three churches.

"The followers of Christ know little of the plots which Satan and his hosts are forming against them. But He who sitteth in the heavens will overrule all these devices for the accomplishment of his deep designs."

In April we are going to France and Switzerland to hold a seminar there. Please pray for us. Later in

Coldwater SDA Church MI

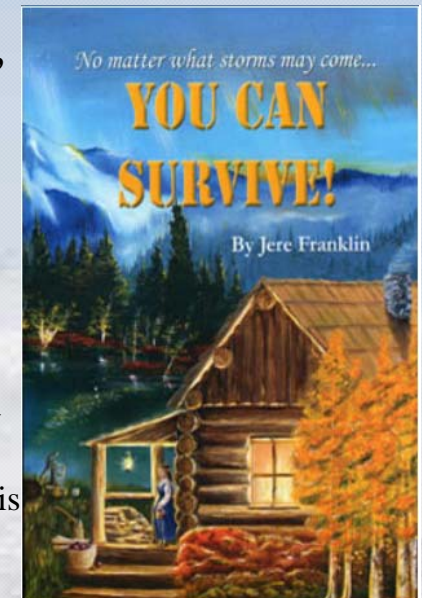

the year we will be in West Virginia for the camp meeting there June 11-17, 2010. The president, Elder Bogess invited us to have one meeting a day on end time events. A very late news flash is that a lady who attended our seminar in Lacombe, Alberta Community SDA Church is from South Africa and a former conference worker there. She contacted the leadership and wants us to come to 4 or 5 churches in the Transvaal Conference. Our ministry that the Lord gave us is growing and we could use help as the Lord makes it plain through His providences. May God be with you all and may His face shine upon you. From MM 310 we read, "God will help His people to find such homes outside the cities." This is preparation for his soon return.

Your Brother, *Jere Franklin*
